**ORDER:**

The Higher Education Department have stated that in the reference 1<sup>st</sup> read above, the Vice-Chancellor, Kakatiya University, Warangal has stated that the Kakatiya University was established in August, 1976 by upgrading the erstwhile P.G Centre of Osmania University, Warangal. Initially the jurisdiction of the University was confined to the Municipal limits of Warangal town, it was subsequently expanded to cover four districts of Khammam, Warangal, Karimnagar and Adilabad of North Telangana Region during the year 1988. In addition, three PG Centers situated at Karimnagar, Godavarikhani and Kothagudamem have been transferred as constituent units of the University, in addition to the existing PG Centers at Nirmal and Khammam. Thus, the total number of colleges under the jurisdiction of Kakatiya University which was 10 in the year 1988, has now gone up to 156 with an enrolment of 75,000 students. Consequently, the work load in monitoring such a large number of colleges and the conduct of examinations has enormously increased. Further, due to increase in the number of colleges from year after year, introduction of new courses, specializations and vocational courses, the work load at various levels has been increased enormously and as a result, the University could not cope up with the increased work load by the existing staff. As such the University has submitted proposal to the Government for sanction of 116 posts with detailed work load and financial commitment during 1998 and requested for sanction of said posts under phase-III as was done in the case of Nagarjuna University and Sri Krishnadevaraya University.

2. Further the Department have stated that in view of the circumstances prevailing then and due to pressure of work, the University has resorted to create some temporary posts over a period of considerable time as per the requirement under the provision of Section 5 (6) of the University Act, in anticipation of the approval of the Government, and these posts were created even before the Act 2/1994 came into force. Most of the

(Contd...2)

positions were created at supervisory level and the eligible incumbents were promoted as per rules duly following the rule of reservation scrupulously and the consequential vacancies in lower and clerical cadres have been kept vacant since they are personal promotions. At this distance of time, it may not be possible to revert the existing incumbents as it may lead to unavoidable legal complications and may also create unrest among the employees which will have impact on the functioning of the administration.

3. Further the Department have stated that in the reference 3<sup>rd</sup> read above the Registrar, Kakatiya University, has furnished the following details of personal promotions given by the Kakatiya University in different cadres to 133 non-teaching posts:

**Total: 33**

**Grand Total: 100 + 33 = 133**

4. Further the Department have stated that in the reference 4<sup>th</sup> read above the Registrar, Kakatiya University, has stated that the total number of non-teaching posts has decreased now and it is equal to the sanctioned strength. Thus, the number of posts existing as on date is equal to the sanctioned strength of (640) of the University and the financial commitment on the said promotions is meagre which the University is meeting now from its self generating funds without charging either to the Block Grant or to the Government. The difference of pay on implementation of personal promotions in respect of 100 posts is marginal (Rs.3.41 lakhs per annum) and will be met from out of the self generated funds of the University.

5. Therefore the Higher Education Department are requested the Government for regularization of 133 personal promotions given from time to time i.e from 1991 onwards, so as to facilitate the University to extend the RPS 2005 to all the employees.

6. The Government, after careful examination of the matter hereby accord sanction for creation of 133 posts in different cadres for regularization of the personal promotions given in different cadres as detailed in the Annexure –I to this order as a special one time measure by suppressing 100 vacant posts from out of the sanctioned strength of the University as shown in the Annexure-II to this order and subject to meeting the expenditure on this account from out of the self generated funds of the University only. The above promotion posts shall stand abolished after the present incumbents demit office.

7. The Higher Education (UE-1) Department shall take necessary further action in the matter accordingly.

8. Copy of this order is available on Internet and can be accessed at address “<http://www.ap.gov.in/goir>”.
